**Application to Withdraw as Attorneys of Record
Pursuant to 37 C.F.R. §1.36**

Commissioner of Patents and Trademarks
Washington, D.C. 20231

Sir:

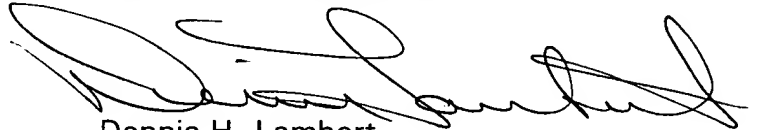

I, the undersigned attorney of record in the above-captioned patent application, hereby apply to the Commissioner to withdraw as the attorney of record in this application on the grounds that applicant has advised the undersigned that he wishes to retain local counsel in California to conclude this matter. However, the undersigned cannot forward the file to applicant so long as the power of attorney in and responsibility for this application are to the undersigned.

There is an outstanding Office Action dated November 16, 1995, in this application, and the undersigned called this action to the applicant's attention on November 20, 1995. Although the Shortened Statutory Period for response is about to expire, extensions of time of up to three months are available to applicant. Accordingly, there will be no prejudice to applicant by the undersigned's withdrawal at this time, and applicant will have sufficient time to seek substitute counsel.

Once this application for withdrawal is approved, please direct all future correspondence regarding this application to applicant at: 7969 Silverton Avenue, Suite 616, San Diego, CA 92126, and direct all telephone calls to Murray E. Stanley, Jr., at (619) 549-4935.

For the foregoing reasons, and especially in view of applicant's request that the file be forwarded to him so that he can retain local counsel in California, prompt consideration and approval of this application to withdraw is requested.

Respectfully submitted,
